**“White Carignan on sandy soil”**

**Grape Variety:**

White wine made 100% from the autochthonous grape variety White Carignan.

**Soils & Vines:**

This grape variety comes from a very old single vineyard - 110 years old- grown on a gravelly/ sandy soil.

The vines are located in the most flat in the center of the region slightly titled towards the southeast.

**Viticulture:**

We practice traditional viticulture with environmentally-friendly methods, doing everything we can to help the grapes express the real character and identity of our land.

**Harvest & vinification process:**

The grapes are picked by hand and collected into small crates of 10 kg. A period of cold soak in a fridge (at 2-4°C) followed by skin contact maceration.

The wine ferments into an inox vat at low temperature, remaining in contact with its lees for 8 months. Our aim is to achieve the best expression of this grape.

**Alcohol Content:** 13 %vol.

**pH:** 3,14

**Total acidity:** 6,3 gr/l (a.t.)

**Residual sugar:** < 2 g/l

**Bottled:** 14/06/2018

**Limited Production:**

1.395 bottles (750 ml)

**Tasting notes**

Golden yellow color with green hints

Intense mineral bouquet of bonfire stone with citrus touches, tropical pineapple and fresh mediterranean Herbs such as fennel and thyme

The palate is medium-bodied, very lively, with a soft, silky texture with good acidity and a mineral finish ending almost salty.
